Come join Troop 57 this summer for an exciting adventure at Camp Oljato!

Located on fabulous Huntington Lake, Camp Oljato offers a great experience for every scout: The *Basic Skills Program* (Tenderfoot skills) for incoming scouts; the *Merit Badge Program* for intermediate Scouts; and *C.O.P.E and Climbing*, advanced sailing, mile swim and other activities for experienced Scouts. Oljato provides opportunities for Scouts to learn new skills that are not part of our Palo Alto Program, earn Merit Badges, and just have fun in a safe, Scout-led environment!

Does your scout enjoy water sports? There's sailing, rowing, canoeing, swimming, snorkeling and lifesaving...and the famous [infamous?] mile swim. Does your scout need to learn or strengthen basic scout skills? He can earn Merit Badges in Orienteering, Pioneering, Wilderness Survival, Emergency Preparedness, First Aid, Camping and Fire Safety. Is your Scout interested in Ecology or Conservation? Merit Badges offered may include Astronomy, Environmental Science, Fish and Wildlife Management, Fishing, Forestry, Weather, Nature, and Soil and Water Conservation. Scouts who enjoy handicraft can earn Art, Leatherwork, Woodcarving and Basketry Merit Badges. And of course, what would Scout Camp be without a chance to earn Archery, Rifle Shooting and Shotgun Shooting Merit Badges? Scouts who turned 13 by 1/1/15 are also eligible for C.O.P.E. – a challenging ropes course that relies on teamwork.*
